Why is it important?

Illness of one family member significantly affects the entire family, especially the children. They need a place that's just for them. A chance for their needs to be recognized and met when they so often take a backseat. We're helping children learn how to deal with, and overcome adversity, conflict emotions, and anxiety, while nurturing resiliency and maturity. With their unique experience, outlook on life, and with the help of our programs, these children can grow into the leaders of tomorrow. Many are well on their way.

24. ISLAND HILL FARM

Island Hill Farm's Agriculture Experience Camp 2023

If your child loves animals, is curious about nature, and craves a healthy, hands-on experience they will never forget, sign up now - Let's grow some future farmers!

For **2023**, our IHF Agriculture Experience camps are back by popular demand. Based on our 9 years of offering camps we have decided this year to offer 3 day camp weeks, grouped by ages.

Camp spaces are limited to **10 children per week** based on age groups, unless otherwise approved by Farmer Flory.

Independence is a huge importance; children must want to be here and immerse themselves in the full activities of the camp.

Campers will spend the day learning where their food comes from, how to care for rabbits and chickens, and participating in basic barn chores like feeding and cleaning the animals! They will see eggs hatch, greet new baby bunnies, and get know our many goats at the largest goat farm on Prince Edward Island; each goat has a name!

Because of the small groups, the kids will have individual attention from our staff and camp leaders and will get to meet guest experts on things like animal husbandry, sustainable farm practices.

We provide a safe and inclusive environment that is also the #cutestplaceonearth.

Details:

Camp days will be Tuesday, Wednesday & Thursday of your selected week.
Camp hours are ready to roll at 9:00AM to 3:00PM

Camp Week 1 – July 4/5/6 (Ages 6 to 9)
Camp Week 2 – July 11/12/13 (Ages 9 to 11)
Camp Week 3 – July 18/19/20 (Ages 6 to 9)
Camp Week 4 – July 25/26/27 (Ages 9 to 11)

Please note that Island Hill Farm will be closed to the public on Tuesday and Wednesday during the summer with the exception of private tours with PEI Tourism.

Each child will receive a welcome bag with with goodies inside and 1 free admission for that child to return to the farm with a one time use 50% off admission pass for any guests they would like to take with them.

Remember:

Dress appropriately for all weather
Wear closed toe shoes (no sandals!)
Bring a change of clothes (Please label items with child's name)
Sunscreen
Reusable water bottle
Lunch and snacks

Cost:

\$400 +HST per week – NON REFUNDABLE

Children must want to be at the farm and immerse themselves in the full activities of the camp which will include care and cleaning of the animals and their living spaces. If your child is only interested in the handling of the animals and not the hands on experience, please purchase a family pass for IHF as this takes away from the experience for the other campers.
